Then i guess you are going to have to fire me i been feeling like this since 2 this afternoon ask ali I am not staying so you can let me know if i should be here friday or not. I was just going to leave after i made that deal earlier anyways because you yelling at me cus the customers rushing me saying i cant control my customer but not one of your floor managers came out to help either hearing whats going on and look at that the deal was made anyways

mujahid saeed was supposed to be a split between me and Sean but I had took the customer to Transworld and he ended up getting the Transworld insurance the day I was not in and Sean took it upon himself to take the whole hundred so I should be getting paid on that 100%
